MEMBERSHIP PARTICIPATION

To qualify for membership, you should be willing to participate and take an active part in Society activities when possible: attend monthly meetings through Google Meet, display, demonstrate, serve on a committee and/or volunteer at the Annual Show(s). ECGMS is a Society with members throughout the USA. We understand that if you are not local to Connecticut, it may be difficult to physically attend Connecticut meetings, help at our annual shows, and/or participate in committees requiring your physical presence. You can show your support through committees such as Social Media, Programs, Sunshine, Bulletin/Publications, and others.

MEMBER AGREEMENT

By signing, I agree to abide by all rules of ECGMS Inc. and of responsible mineral collecting. I agree not to take home more samples than can be used, leaving something for the next collector. When on a field trip, I agree to cooperate with the leader and others in authority. I agree to appreciate and protect our heritage of mineral resources and not do excessive harm to the Earth. I agree to be of positive energy and support fellow members and rockhound associations. I agree to bring positive energy to the integrity of ECGMS Inc. and will represent this organization in a positive light.
